

GreenPE Bags®

THE SUSTAINABLE OPTION, WITHOUT THE ADDED COST.

GreenPE® post-consumer plastic resin is made from plastic that has been recycled following its original intended use. **GreenPE®** is used to manufacture **GreenPE Bags®**.

Multi-Layer Bags

Our bag product lineup includes a wide range of Can Sacks®, trash bags, recycling bags, can and drum liners, and contractor bags. These bags are made with our 3-layer film in a variety of blends and levels of post-consumer recycled **GreenPE®**.
