PRIVATE BRANDING

We offer three enhanced blends for retailers to match their ideal performance and price. Our shelf-ready bags are comparable to national brand equivalents.

GRENCORE®

Grencore® Trash Bags are available to sell at your retail location. Grencore® products are great offerings for shoppers looking for sustainable options.

STEELCOAT®

Steelcoat® Trash, Contractor, and Lawn and Leaf bags are perfect for retailers looking to offer their customers a tough, durable product.

NATIONAL BRAND EQUIVALENT BAGS & FILMS

Our plastic bags and films are manufactured with quality plastics and practices.

UP TO 70% POST-CONSUMER RECYCLED PLASTIC

Our products come with the guarantee that they are made with up to 70% post-consumer plastic (PCR) that we recycle in-house.

3-PLY CONSTRUCTION

Our unique 3-ply process sandwiches a layer of PCR between two outer layers of high-strength virgin plastic. This is our most eco-friendly option for sustainable bags.

OUTSIDE LAYER
