PLASTIC FLOORMAT

A great alternative to paper floor mats, these plastic floor mats prevent water, oil, grease, and most shop chemicals from touching the carpeted floor of the customer's vehicle.

- 16.5" x 21" size perforated on a roll
- 2.0 mil for greater durability
- Waterproof
- Disposable and easy to dispense
- One-color custom imprinting available
- Recyclabe

ADHESIVE FLOORMAT

Like the plastic floor mat, but with the added benefit of adhesive on the back to prevent the mat from moving. This high-strength barrier will prevent water or any shop chemical from seeping into the carpet.

- 21" x 24" clear mat with high-strength adhesive coating
- 175 adhesive mats per roll
- 4 mil thickness
- Stay-in-place protection for up to 30 days
