FACT SHEET

STEELCOAT® MEDICAL®

MADE IN USA

NVBDC CERTIFIED VETERAN OWNED BUSINESS

Biohazardous

WASTE BAGS

Dual-Tested to pass ASTM D1922 to exceed 480g tear
& ASTM D1709 165g dart impact

Biohazardous Waste Collection Bags: For collection and transportation of infectious waste within the healthcare facility, outpatient surgery center, alternate care clinic, physician's office, and lab settings.

Features and Benefits

- 3-ply LLDPE bags for additional protection over traditional mono-layer biohazard liners and HDPE bags
- Available with 25% PCR content to assist with healthcare sustainability measures while passing ASTM D1922 & ASTM D1709 specifications
- 1.25 mil for additional source reduction over traditional mono-layer thicker bags
- Available in coreless roll or individually folded
- Biohazard Symbol - Printed in black along with ASTM specs
- Languages - Printed in English and Spanish or French
- Custom Printing & Sizes - Custom printing, private labeling and sizes available upon request

Additional Steelcoat Medical® Products

Autoclave Bags

- Oven-Tested
- Red & Clear
- Custom Printing

Laundry Linen and Hamper

- 3-ply
- PCR Available
- Custom Printing
