

Laundry

LINEN & HAMPER BAGS

Laundry Linen and Hamper Bags: For housekeeping, laundry, and treatment area rooms where collection and transportation of linens is required.

Features and Benefits

- 3-ply LLDPE Bags for added odor containment and strength over traditional mono-layer bags
- Available with 25% PCR content to assist with healthcare sustainability measures without sacrificing strength
- Safe and efficient for handling of solid or infectious linen from point of collection to final processing
- Available with Draw Tape for better closure assistance
- Soiled Linen - Printed black in both English and Spanish
- Custom Printing & Sizes - Custom printing, private labeling and sizes available upon request
